

DuraCase for the SoMo® 650

Increase the Durability of the SoMo 650

The DuraCase improves the drop height of the SoMo by 30%!

Standard Version

**Rx Version for Healthcare
(Antimicrobial)**

**Top and Bottom Slide
onto SoMo**

The DuraCase increases the durability of the SoMo 650. The two-piece design improves the drop height of the SoMo, allowing for broader market use outdoors or in environments with hard floors.

BENEFITS

- **Protects** — Increase the drop height of the SoMo by 30%. The DuraCase is made of durable plastic to safeguard the SoMo against dings and scratches and features rubber corners to reduce impact when the SoMo is dropped
- **Convenient** — The two-piece DuraCase features a removable bottom, so you can charge and sync your SoMo in a cradle or multi-bay charger
- **Secure** — You have the option to secure the top and bottom of the DuraCase onto your SoMo with a screw. The DuraCase also features special rubber grips to provide added protection and prevent sliding during use
